The Marina

A nautical breakwater of three partially sunken lake freighters forms a seawall promenade for the Ontario Place Marina, one of the largest on the Great Lakes. In addition to slips for 320 boats of varied sizes up to 60 feet, there's a visitors' dock for sightseeing cruisers, a sailor's pub and seafood spots.

The Forum

An open air theatre-in-the-round where symphony, opera and ballet share the spotlight with pop, rock, jazz and country music. Throughout the season a wide array of top talent is presented, varying from internationally-renowned artists to a skirling pipe band. More than 8,000 people can be accommodated and a translucent vinyl canopy weatherproofs 2,000 seats.

Restaurants & Cafes

Relax in any of the 20 eating spots, depending on your mood. Wine and dine on outdoor terraces by waterside decks. Choose seafood, roast beef, hot dogs, chow mein or escargots. Listen to a folk ballad, an um-pa-pa band or sing-along at a piano bar. Be it a Bavarian beer garden, an Irish pub or a Chinese snack bar, there's an atmosphere and a price to suit everyone.

Children's Village

This enchanting playland is designed for children only, and they love it. Adventures abound in Earth Box Crawl, Soda Fountain Mountain and Foam Swamp! There's a gaping lion's jaw to explore and a crazy caterpillar shop; a rubber forest and a giant trampoline. Whether sliding, jumping, climbing or just standing still, there's no limit to these imaginative play areas. Most of the two-acre playground is covered by a bright orange canopy, so rain or shine, every day is Children's Day at Ontario Place.

Enjoy

Picnic on the grass, pedal-boat through the canals, browse in a boutique, ride an open-air land train or stroll and people-watch along the arboured pathways... just enjoy Ontario Place from morning until after midnight — it's yours.

A Summer Festival

The daily summer programme begins Victoria Day weekend in mid-May and ends Labour Day weekend in early September. Activities continue weekends only after Labour Day through Canadian Thanksgiving in early October.

Year 'Round

Throughout the year, Ontario Place is open for special events and rates will be provided on request for use of facilities for receptions, conferences, banquets and private parties.

Ontario Place

A wonderland of interest and delight... 96 acres of parkland... three man-made islands in Lake Ontario at the tip of Toronto. Water, trees and sky form a background for glass and steel exhibit pavilions and a picturesque marina. Music comes from the outdoor amphitheatre and military marching bands. A domed Cinesphere cradles the world's largest curved film screen. Boutiques and restaurants cater to every pocket-book. For children, their own playland, clowns, and magicians. For everyone, so many new things to see. Ontario Place... a modern village green... a new focus on leisure.

Cinesphere

A Triodetic® domed theatre which holds 800 people. Its huge 60 ft. x 80 ft. hemispheric screen is six stories high. Programmes include specially-commissioned productions, like the award-winning IMAX film, "North of Superior". At night its domed roof, an arc of sparkling lights, is a glittering Toronto landmark.

Picnic on the grass,
browse in a boutique,
enjoy the show...

Ontario place
